The Best Miracle!

"Sit down you are about to hear the most amazing, mighty miracle!

My neighbour, who is, or was known as, 'the druggie' HAS GIVEN HIS LIFE TO GOD. It was a real conversion and he's so overcome. He's 48 and has so abused his body. He's diagnosed as suffering from emphysema and a pulmonary heart condition. He gave up drugs about 8 weeks ago after they almost took him to the point of death. There is so much to be got rid of in his life. I used the prayer from your Survival Kit book (*available today*)

and his water baptism is now planned. This wouldn't be happening without my attending your Internship. I want to thank and encourage you all.

My spiritual relationship with this man began when I bumped into him and handed him a tract which I got from Sozo. He told me that when he gave his life to God, the high he felt was greater than anything he ever got from drugs. Praise God!"

My Miracle of the Gift of Tongues!

"I got my first words in tongues last night!

Was soooo excited I couldn't sleep so I'm tired but with a huge smile! There was a great battle before hand but God showed me it was from the enemy & not real. I was in bed in the dark with no lamp so I had to face the dark.

I said a few prayers thanking the Lord for my life & all my blessings - then I just said this random word right in the middle of it. It made no sense & I don't think it's even English. I just kept saying it & I spoke it passionately. I then realised what it was & burst into tears. It was an answer to a passionate, heartfelt prayer I asked just days ago, that God show me my tongues as I so desired it from the bottom of my heart! Once I realised what that word was, I asked Him for more, I lay there with my hands up just streaming tears & said,

"More, I want more Lord, show me."

I carried on saying that word until another one came which made me cry even more. I just lay there, my heart racing. I couldn't move as there was a warmth that came over me & I knew God's presence was there & I was safe. In the end I received four words, in the world they make no sense, but to me they make perfect sense! I'm just so excited about walking with the Lord, every day has it's battles but everyday is just so special & such a blessing." Anon

In His Steps

By Charles M Sheldon

Over 30,000,000 copies sold globally.

A challenging & inspiring read if you want to live as a true Christian in the day-to-day matters of life.

Rev, Henry Maxwell not fully realizing the implications of what lay ahead of him, repeated his astounding proposition, **"I want volunteers from First Church who will pledge themselves earnestly & honestly, for an entire year, not to do anything without first asking the question, 'What would Jesus do?'**

Those that responded pledged themselves to a new step of faith that would change, not just a handful of people, but an entire town - for good!
