Wonderful Deliverance!

"After weeks of emotional instability & panic attacks I attended your Freedom from freemasonry conference - March 2017. On the day & months following, I felt a huge release of the pressure I'd felt on my chest. I also felt free from the racing thoughts & panic attacks. The constant shortness of breath & feeling of restlessness slowly lifted - I am still experiencing a wonderful peace!

A year on - my relationship with Jesus is the best it's been my whole life (40 years). I love reading His Word. I never wanted to read the Bible much before & was a very lazy Christian. Now I love Jesus above everything. I have new freedom & I haven't had another panic attack since the conference!" Anon

WILL has travelled back to the Philippines with Dan & Hatty, our missionaries there to spend 3 months living with them, helping with outreaches & fellowshiping with the youth... Well done & God bless you Will! We really look forward to having you back & hearing your stories!

TESTIMONIES
We'd LOVE to hear from you soon if the Lord has touched your life here & what you are doing now as a result - so we can share it on the day!

"32 people have signed up to **SOZO LEARN**, our Discipleship Training Course.

Together, we're on a journey with Jesus to both learn & be reminded of what it means to be one of His true disciples. Over the next 3 months we're looking forward to sitting at His feet & hearing His Word speak to us on a variety of important topics. It's our prayer that as we surrender this time to Him that He would be in charge. I believe He's calling everyone higher, He's calling us all deeper & He's calling each of us to go where He leads. So over to you, Jesus! Lead on!" **John**

The Power of Praying Through Fear
By Stormie Omartian

Is fear affecting your life? Does it ever steal your peace and disturb your sleep?

It stresses our mind, body and soul and can keep us from doing what we need to do. BUT you can enjoy freedom from damaging fear by establishing your heart and mind on the comforting truths of God and learning how to pray in power.

Stormie shows you what to *think, say and pray* the moment you sense fear in your heart, and what you can do to combat anxiety. She offers help for overcoming fear of rejection, fear of evil, fear of suffering, fear of death, fear of loss, fear of the future...

Learn to pray and receive the power, love and sound mind God has for you.
