Summer Youth Camp

Theme: RIGHTEOUSNESS Massive thanks to Robert & Lesley for opening up their home for camp so generously *again*. Special thanks to, John, Lesley, Rachel, Lizzie, Alistair & Sue for ALL their hard work & input. To the youth - quite simply, we celebrate your lives. A life-changing precious time. **Some of their comments...** *"The righteous are as BOLD as a lion."* **Prov 28:1** *"I realised I was trying to be righteous in my own strength - self righteousness. Isaiah says, "...all our righteousnesses are as filthy rags." Isaiah 64:6 We musn't trust in our own ability to do good behaviour."*

"To him who soweth righteousness there shall be a sure reward." **Prov 11:18** *"I really enjoyed helping to lead worship & our morning quiet times." "I am definitely excited about righteousness!" "I had head knowledge of our righteousness but couldn't believe it - I believe now!" "Righteousness is a free gift. I've been struggling with it but had a breakthrough." "Camp is the highlight of my year. I don't think there is any church in the whole world where youth are taught on these topics." "Jesus has given me a responsibility to live a life worthy of His Name." "Thank you for teaching us about the Word." "I've struggled with Bible study so appreciated your pointers!"*

Winning the Spiritual Battle with Money
 Teaching and ministry - Alan Daniel

"This message deals with many aspects surrounding money, with prayers that 'clean us up' spiritually so that we are the head and not the tail with matters financial. Receive prayer regarding: *lost inheritance *dishonest dealings *mis-spent wealth *poverty and more.

CD or DVD

Also ministry about money and the workplace whether you are the employee or the employer. Not a 'get rich quick' message, but a road to victory that can bear lasting fruit having put the past under His blood." **Alan** CD £3.50 DVD £6.50

Out of Darkness

By Stormie Omartian

My story of finding true Light and liberation. *God can bring life out of death. Light out of darkness.* I never thought I would live beyond my thirties. My life had been ruled by fear, depression, anxiety & loneliness. I could not find any way out of my pain. I made one bad choice after another with devastating consequences, trying to find love, acceptance and a reason to live. As hard as I tried there was a darkness in me I could not escape until there came a turning point that changed everything. This set me on a lifelong journey of hard situations that required a choice whether to stay in the light or succumb to the darkness of my own doubts.

This book is about how anyone can find a way out of the darkness and onto a path that leads to true light, wholeness, purpose, and life. I found freedom, restoration and transformation far beyond my ability to imagine it or to make it happen on my own. If I can find that, anyone struggling to rise above the difficulties of their life can find it too. £13.50 + £1.77 2nd class p&p

Exciting News from Dan & Hatty!

our missionaries in the Philippines

"We've added two new children to our Back to School Program so we're now sending 6 to school! My favourite time is to buy them their new school equipment & uniforms; they are so blessed & grateful.

*Hannah, one of the youth from church shared she will not start university yet due to lack of funds from her family. They need to save. We both felt God was calling her to serve this year in the ministries we have so we decided to support her a small amount to help buy her food, clothes & transport between places. This has opened new outreach opportunities... the biggest being to go to a primary school with over 300 children where one of Hannah's sisters teaches in Marangi. We will travel an hour on really bumpy roads. It is totally unreached & has no church. We'll go every other week & share the gospel along with songs, games, bible teaching & feeding. **We have bought 6 new benches for our local outreaches.*

The youth used to sit on the dusty ground.

*Dan is working hard studying & has a passion for God's Word. His knowledge is growing & his confidence teaching it. We seem to be getting busier! **Please pray about Hannah & I going to Marangi, for open hearts & acceptance; for the Back to School Program children, their families & the outreaches. Also for our health, protection & finances so we can continue to serve. Thank you!" Hatty & Dan**

Happy Birthday
 to **Gracie, 11 TODAY!**
 Enjoy being celebrated
 Gracie. God bless you!
