It's Our 35th Anniversary!

Healing News!

A brother who attended our last Healing & Deliverance meeting believed he had a divine appointment with God he just knew he needed to fulfil. He came with many significant physical needs...

Two days after the meeting he phoned into the office: He had started going swimming AND walked around a large building complex three times very quickly the day after the meeting. He hasn't been able to do any of that at all. He also walked to get a train. **NO PAIN!**

He joyfully declared, "The Lord has started something very powerful - I know it's not complete yet but I believe that very soon everything will be ok. I just want to get back to serving my Lord and His people!" Anon

Winter Youth Camp

THEME - FELLOWSHIP

"God has a Master plan for the church, and fellowship is no small part of it. Early followers of Jesus are described as being

'of one heart and one soul' (Acts 4:32) What happened?" **John** - one of the camp leaders.

Read what some of the young people had to say - you will be challenged & inspired!

"I've known fellowship is important. Now I know it is vital! "We learnt that Jesus' prayer for us is that we are 'as one' so the world may know about His love (John 17:22-23). God showed me an analogy where individual believers were represented as candles. To light up big rooms, multiple candles are needed. Fewer candles means a darker room. So likewise when there's only one believer, less light is shining. Fellowship unites believers & the light & love of Jesus shines brightly! My only desire for fellowship had been motivated by what I could get out of it for myself. I need to commit to fellowshiping!" **Issy**

"I loved the worship. I realise it's very important you should fellowship with other Christians so that you can get good input to your studies & see things from other people's perspectives." **James**

"I was especially challenged by the talk on fellowship with God." **Peter**

"The true purpose of fellowship is not only for our own edification as believers, but also to show the world the love of Jesus (John 17:23). We can get much more done for the Lord as a unified team." **Jemima** *continued overleaf...*

WONDERFUL NEWS from DAN & HATTY

...our Philippine missionaries. "2018 - AMAZING, rewarding, busy! **More outreaches, events & cooked meals than ever before!** *6 Christmas/Hannukah parties. *Printed & gave over 250 t-shirts to the children/youth. *Marangi school - bought food/household items so the children went home with things to bless the whole family. **Fed over 400 children & adults. Cooked over 25 kilos of spaghetti & got over 400 pieces of bread.**

It's lovely to watch the children grow up & grow stronger in the Lord. In our church we had an overnight camp & I (Hatty) helped direct all the music. **We had 5 hours of endless praise & worship - it was so peaceful & special.** Thank you for all your continued support!" **Hugs, Hatty & Dan Well done both & your special team - MUCH love from us!**

continued from front... "The topic of fellowship is deeper than I thought. I liked the example of the parts of the body. They sum up beautifully what it looks like when we fellowship." **Rachel**
"We can all put it into practise immediately & it will help build us up." **Emila**

"I learnt it's important because without it, it's simply impossible to be part of the Body of Christ, a co-labourer, & member of God's family on my own." **Barnabas**

Liz & Sue's Season of Sowing in Israel!

"It is with real excitement that Sue & I look forward to 3 months serving the Lord at the Aliyah Return Centre - a place where prophecy is being fulfilled as foretold in Amos 9:13-15. And as Isaiah 49:22 says, 'the Lord is

lifting up his hand to the Gentiles' (beckoning) to come & help as Jewish people make their way back to their Promised Land. We have volunteered to work hard & enjoy community living & are so blessed to have this opportunity!" **Liz**

MARTY GOETZ & MISHA LIVE FROM JERUSALEM

"In the land where the first psalms of praise & worship were offered to God we had a unique opportunity to sing our songs in an unforgettable live concert, overlooking the city of Jerusalem. This recording captures the sounds & the spirit of that exciting evening. Joined by the Tel Aviv Soloists Ensemble, we shared our music, message & ministry. You are now invited, through our Live from Jerusalem DVD and CD, to join in this celebration from the place loved by the God of Israel & all who love Him. May His blessing be upon you as you watch & listen." **Marty & Misha**
