## It's Our 35th Anniversary!

### The Blessings of Coming Authority *under*

"In my upbringing I never had

authority - it was completely the opposite. It was all down to me. I took that all the way through my life. This is my testimony about coming under authority. My wife & I got to a stage in our life where we were helping people but authority wasn't in our lives. I was speaking to Pastor Marion & we realised that we weren't under *any*

authority. Pastor Marion suggested we listened to the John Bevere messages titled 'Undercover' about being under Godly authority. We did and they really spoke to us. It was a miracle really. I particularly took it on. I didn't really recognise government authority. I could be very submissive but not in my heart and that was the difference. I could appear to be submissive

and appear to be coming under authority but it wasn't happening on the inside. After listening to the CDs I realised I had to submit & that there would be a series of submissions - at work; to the church; to the authority of the government. I started finding my true place. So, after learning this & praying I wrote a letter of submission to the ministry & came under spiritual authority. I did the same at work.

I wrote to my boss & I came under his authority. I had never done that. I have always been an independent person. As a result of all this was a change of heart & repentance. My team at work submit to me now. I never asked them for it. I submit to my boss - he treats me very differently. Things are different at

home. I've got the authority. It's been given to me spiritually by God and my family respect that.

I sat down with my boss which we do regularly but on this occasion it was after submitting to his authority. Recently my car had been written off. My boss knew and said, "Right, don't worry I'll buy you one. What do you want?"

I thought, "Well I know what I've always liked and wanted" and told him and he said, "Fine - go ahead and get it sorted."

An example of what can happen with real, genuine submission!

A genuine change of heart. Genuine repentance. I thank God!" Dan

**Testimony from the above meeting on 'Clean Up Your Life'**

*"This message was a wake-up call. As soon as we got home afterwards we threw out all the ungodly junk. We realised our cupboards and bookcases contained fantasy, witchcraft & science fiction and were ungodly things that consumed time that should have been spent with God. I have repented & I've found more time to be able to do other things and I can now see how deceived we have been by watching TV programmes that can offend God. Thank you."*
