Freed from My Cage!

"I attended your Freedom from freemasonry conference & a Healing & Deliverance Sunday. As long as I can remember I've struggled with claustrophobia to the point my life has been restricted. I couldn't face getting in a lift or going on a bus, train or plane. I'd avoid large crowds at all costs. My life had shrunk to doing the things where I felt safe. My self esteem was very low & I'd suffered from recurring bouts of depression. I'm a Christian but the fear in me seemed too big to deal with. Five years ago my daughter & family emigrated to Australia - I felt as if my heart broke because I could see no way of getting there. I had some prayer ministry. The ladies prayed regarding my daughter, then addressed the spirit of fear. Afterwards I felt lighter & freer than I'd ever been. I believed I'd been delivered from fear. My friend & I decided to do things I hadn't felt able to. We started with lifts, then train journeys, just one stop to begin with & then to London. Finally we booked a flight to Edinburgh for the day! **It's hard to describe how I feel now other than to say that God has**

unlocked the door of my cage & let me out! I'm free! There's nothing to stop me flying to Australia to visit my daughter. My life has changed beyond all recognition! Thank God." Anon

Dramatic Life Change after Conference!

"I attended your Freedom from freemasonry conference & my world has taken a very dramatic turn. I'm now waking each morning & praying without labouring. I'm so thankful for having the blockage removed that separated me from experiencing Abba's love. I'm now seeing He is my Father & experiencing it. Major things have happened but I am at peace. The Lord has been showing me about humility in my walk & not to be prideful. I have wanted to take control of stuff & manage it myself. He's showing me to stop & wait for Him to deal with it & He is. I'm still in shock at how much he has done. He really is faithful." Anon

Freedom & Healing in Forgiveness!

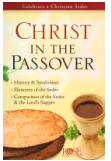

"Since coming on your Freedom from freemasonry conference again our Lord has guided me to a deeper forgiveness to those that have hurt me & brought a greater depth of healing & deliverance of things holding my life. It has really helped me to forgive. I have also asked God to forgive me where I have hurt others." Samuel N.I
