## News Sheet

### New style News Sheet

We hope you like our new look & style. After 380 News Sheets over the years we thought we needed to freshen things up. Do have a good read and perhaps let us know what you think. We have come a long way from the old coloured paper & black ink days, but still able to bring fresh testimonies and great news each time. God is good. Bless you all

### Testimonies

from the LIVING WORD BIBLE STUDY COURSE.....

“What really struck me was a very strong sense of anticipation; a oneness and hunger from everyone to go deeper into God's word and that He is really doing something. Really looking forward to the next one!”  
*Anon*

“Do you want to know God, the creator of the universe, your heavenly Father?

Do you want a relationship with Him?

Do you want to hear from Him?

Do you want to know His opinion?

Do you want to know His plan for your life?

If YES, then OPEN YOUR BIBLE!

I remember hearing, during a sermon at Sozo, that how well we know our Bibles shows how well we know God. Simon, told us at the course that the purpose of studying the Bible is to have a relationship with God. I am being transformed by God's Word and it will transform you, too, because it's no ordinary book: it's the inspired Word of God Himself through His Holy Spirit.

If you try to read and interpret it with your intellect alone, you will not understand, but if you read it through

the power of the Spirit of God, He will reveal Himself to you! He will speak to you!” *Anon*

Places are available on the next 2 LIVING WORD Bible Study Days.

### Our Missionaries

Thank you all again for your prayers/ financial support or in whatever way you support us. We have just had 3 weeks home in England having had a

rest and some time to regroup ready for a busy Summer from May. We are super excited to have started a new outreach in Cadlum running a similar program to our other outreaches in Planza & Sanjoaquin. It's a very poor area nearer where we live and we are able to take a big pot of cooked food for the children and parents when we go.

We are running a daily vocational bible school for children and younger youth, running for a week in which we will feed them well and build them up spiritually. June will be a new school year so we will buy new uniforms and backpacks for the 6 children and youth that your giving supports.

I have recently heard the children singing as they walk home, "I've got that joy... down in my heart!" To touch so many lives is amazing and we never take it for granted. We hope to grow in our relationships with all the children and youth from our outreaches and Dan not studying for a bit will give us more time to do all this and more..... as God leads us. God bless, *Hatty & Dan*

## SHALOM - GOD'S MASTERPLAN by Steve Maltz

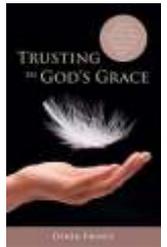

Is today's Church what God originally intended it to be?

Looking at three ways we achieve 'completeness', through becoming believers in Jesus. Through finding our function within the

Body of Messiah and through participating in ONE NEW MAN. The bulk of the book is to examine how Christians can feed from the rejected Hebraic roots and how, in this generation, a true ONE NEW MAN with Jews and Gentiles understanding their role - can be achieved and how it can bring renewal to the Church. £10 + £1.75 p&p

## TRUSTING IN GOD'S GRACE by Derek Prince

If God asked you to sacrifice what you hold precious...could you do it?

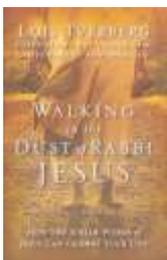

Yielding is the key to God's "secret, hidden" wisdom. It is only as we yield that we find life.

Dying to self is the only path to true freedom and blessing. In each chapter of this book, Derek Prince presents another aspect of yielding:

- Bearing with the weakness of others
- Not insisting on our rights.
- Holding on to our ministry and success lightly.
- Letting go when God asks us to.

What we yield to God in death, we receive back in resurrection – blessed and multiplied beyond our power to estimate. £4.99 + 95p p&p

## WALKING IN THE DUST OF RABBI JESUS by Lois Tverberg

What difference does it make that Jesus was Jewish?

In this book, Lois Tverberg challenges readers to follow their

Rabbi more closely by re-examining his words in the light of their Jewish

context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out His commands. £10 + £1.75 p&p

## Community

Awbridge has a very successful village fete, held each year on the field by the Village Hall/Pavilion. This year it is on May 11th from 12 midday and the organisers are asking for any volunteers who might have a few spare hours on Friday, May 10th to help them set up. We thought it would be a nice community activity to send a little team from Sozo if folks are able to lend a hand. Please speak to John Scoular if you might be able to help after work on the Friday.
