Testimonies

... from the Prayer for Family and Loved Ones day... "I was released from a burden that I had been carrying for my siblings & was able to release them back to the Lord." Anon

...from the Living Word Bible Study Day 2... "The reason why I decided to do the course was because I realised that I was going to be reading and studying the bible for a long time, so it was worth investing in the study course.

The discussions and group work was valuable for the exchange of ideas, the studying of themes was enlightening and joyous, and my bible study has been enhanced and deepened and relies less on chance and more on structure and purpose, which in my case means a less exhausted Holy Spirit! I loved it and had some good conversations friendship and fellowship. The added bonus was meeting fellow Christians in a different way." Judith

...from a Sunday meeting... "It was lovely for the three of us to be together and visiting you. Ben remarked that it was the warmest welcome that he got at Sozo from any other church he has ever visited. The ministry was spot on for Sue and I and we received healing that day.

It was great to catch up with old friends and the Sozo team again. So a heart felt big thank you to the Sozo family for looking after us so well. While we can't attend regularly it's nice to stay in touch and visit occasionally. Bless you all." Julian, Susan & Ben.

Our Missionaries

From Jane, visiting Hatty & Dan our missionaries in the Philippines..... "I've done so much, and experienced new things! I've now travelled to Naga city many times sandwiched between Dan and Hatty on a motorbike, also a few times on a trike and even in a jeepney, which was jam packed with people, with Will and Dan clinging on outside!

Helping with the back to school shopping has probably been one of my highlights so far, buying books, pens, backpacks, school uniforms, school shoes, church shoes and clothes. Two of the new children had never been to Naga before, or eaten out! We had a meal together today and they absolutely loved it! They go back to school soon. We have been on all

of the outreaches, had a youth swimming trip that started with praise and worship, the Word, prayer, games then swimming!

Will has been involved in an outreach

program in Baras near Manila involving 300 children. He is now back here in Pamukid. Dan travelled to meet Nigel in Manila where they bought a car they are really happy with

and drove for 8 hours back! It's great

to be here and see Hatty and Dan in action! Sending lots of love to you all."

THE WOMAN FACTOR - Freedom from Womanphobia! by Rabbi Baruch Bierman

"Rabbi Baruch Bierman used to be a persecutor of women in ministry. He would not allow them to teach or preach until he could not sleep for one whole night - the Holy Spirit

was all over him pressing him to finish what he had started a year before. Realizing that he had started writing a message on women in leadership positions, he proceeded to investigate this very controversial subject. Since then he has brought freedom to countless of women all over the world and to many pastors that struggle with this urgent subject. £22 + £1.75 p&p

WOMEN, YES YOU CAN! DVD message by Richard Cary

"Misunderstanding and deception has put women down and buttoned their lips for centuries, but what does the living Word of God

have to say on the subject of women in ministry and women in leadership to the disciples of today? Join this study of 1 Timothy chapter 2 to see what Timothy would have made of Paul's letter to him in the history and culture of his time and watch Paul boldly go where few men had gone before. Followed by a powerful time of anointed prayer ministry to set women and men free." Richard "This is powerful teaching from Richard and anointed prayer ministry with Richard and Helen. Well worth your time to listen!" Pastor Marion £6.50 + £1.50p&p

HEALING IN THE FRUITS OF THE SPIRIT PART 2 by Marion Daniel

Looking at the counterfeit fruit of meekness and more...! Marion's last message is available today on both CD & DVD from the bookshop. £3.50 or £6.50 + £1.50 p&p

Jesus' Female Disciples

Can we thoroughly recommend this 45 minute Biblical documentary currently on You Tube.

Theologians Helen Bond and Joan Taylor embark on a journey around the world in search of evidence of the role played by women in the beginnings of Christianity. Their quest takes them from ancient caves in Israel to catacombs in Italy, and leads them to question centuries of Christian ideology. A really helpful and informative fact based exposure!

"Very valuable insight into how, and who, influenced the disappearance of female disciples in the early church. Women airbrushed out of history – LITERALLY!" Pastor Marion
