

## In Glory

On Friday, August 16th, we gave thanks for the life of our dear brother and friend, Dave Doe, who was promoted to glory on July 31st. Those of you who knew Dave, knew

how much he loved being here at Dunwood working alongside us and how much we loved him and having him around the place. Please uphold Roz and the family in your prayers at this time.

## Missions

### JOHN SCOULAR

On August 4th we said a fond farewell to our very own John, who has worked for us since his college days and then full time up to & since our move to Dunwood. He has been a valued member of our team having successfully led the Bible training schools and more recently the Living Word Bible School. John has been a key support to Alan all through the building project and also sorting all the I.T. needs.

John writes... "Shalom from the Aliyah Return Centre in Beit Zera, Israel! I've been serving God here for a month already, playing my part in Bible prophecy by helping the Jews come home (Isaiah 14:1-2). People from many nations are being led here by God to join in renovating this 40 acre village situated along the Jordan River. I'm flying Britain's flag by working in the construction and landscaping team Together, we're seeing great progress. Please join us in praying for the salvation of the lost in this area (both Jews & Gentiles). God help us to be ready for the day of Jesus' return!"

John will be based in Israel for around 3 months in all. We anointed and prayed

over him for his time away and will look forward to seeing him in a few months time.

### PETER DYMOND

Last Wednesday, Peter jetted off to Majorca where he will spend an academic year assisting in a small, Christian private school in Palma, the capital. As well as assisting in the school, he is looking forward to exploring the island, thinking about his next steps, and learning Spanish (reza mucho por favor). He says "The weather is great but communication is difficult. Going to the beach this afternoon. 'Hola!' to everyone."

### JEMIMA CARY

"In July I officially finished home-schooling, and now I'm heading off to Brockenhurst College to study a BTEC in Health and Social Care. The Lord has given me the desire to become a nurse, and I'm excited to start my journey in fulfilling this calling. You'll still see me around, so I'd love to tell you how I get on!" We think you'll be a great nurse!

## Youth Camp

Once again our youth headed off to the coast for a few days growing closer to God amidst much fun and larking about! This years theme was 'Everyday Life Issues and How To Face Them', discussing how God can be with us in the everyday life: Drugs and Alcohol – how not to use them! Confidence; Relationships and God's plan for Marriage; How to hear from God; How to make Biblical decisions; Fear; Prayer... plus lots of great fun surfing and so on... they all had a wonderful time.

Perhaps best of all was that Kosta got baptised at the beach. His mum writes... "Praise God he made the decision to follow Jesus. Youth camp had a huge influence! As ever, a huge God bless you and thanks to Robert & Lesley for their wonderful hospitality."

## Holy Spirit

"I feel compelled to email you about my last two visits to Sozo. Over the last year the Holy Spirit has been a pacifier to me amongst other things but comfort and peace and serenity has been the focus. The last few weeks have been unsettled and less about absolute joy and more about working hard.

Someone felt led to buy me a book from the book shop - Lead Me, Holy Spirit by Stormie Omartian. It has been wonderful and yet unsettling, showing me that a pacifier is not His role and I need to grow up in the spirit. Then Pastor Marion shared on Sunday that message and more. I think God is saying to me... "No, you need to stay awake and work with Me and where I take you rather than dwell in the bliss. I feel blessed and ready to work in the Spirit." Anon

" I just wanted to express my appreciation for one of the most special times I have ever shared at Sozo. Particular highlights for me were:

- Pastor Marion's talk and her ministry from the front on, 'Believer's Authority'
- I was grateful to be set free of the

burden of repetitive prayers.

- Seeing the authority and the love with which Pastor Marion anointed us - and, as someone who is often with people who believe no woman should be in church leadership, I was particularly touched to see men recognizing the authority she carries and submitting to it;
- Your choice of prayer team for me, so anointed that the member of the team was actually praying about the reason behind my prayer request as soon as she saw me at Sozo! I had such a blessed time."
