Testimonies

An excited, overwhelmed and emotional lady phoned in after having prayer ministry at our last Healing and Deliverance meeting Her mother's carer had phoned her the next day saying, "I felt I needed to call you and warn you that your mum is suddenly switched on again – like she doesn't have dementia anymore! It's amazing - she's on the ball again and thinking clearly!" The daughter laughed and the carer said, "Why are you laughing? The daughter replied, "Because I had prayer about my mum yesterday." The carer replied – "Well it worked!" Anon

"I cannot thank you and the team enough for the Freedom from freemasonry day. It was a total miracle my children came, another miracle that they stayed for the whole day and an even greater miracle that they wanted to be anointed with oil and prayed for! The whole day for us, as a family, was like being in heaven for the day. Afterwards they said how peaceful they felt and how so much that has happened to us and to some of their friends with freemasonry in their family made sense. They were enthusiastic about the day and thanked me profusely for taking them. When you said mark the day 3 months from that time I could not believe my eyes when I saw their phones in their hands doing what you asked. Made me chuckle inside." Anon

"Thank you for all the help and encouragement you gave on our visit. We were struck by the love and gentleness that we saw, even though you must have been tired. We benefited greatly from the freedom from freemasonry ministry day, then your fellowship meeting on Sunday. My wife had a special time of deliverance, for which we thank Jesus. She knew she had received healing and deliverance. Praise God. The

conference was so powerful with the presence of the Lord so evidently there in that place, it was wonderful to worship with you all."

A lady phoned in and shared..."At the freedom from freemasonry day we were invited to praise God by walking around with a flag if we wanted to. I found myself out of my seat by the power of the Holy Spirit! I enjoyed myself. During the ministry time for praying for people with learning difficulties I was just weeping. I feel released. I've even given testimony in my church and told friends what an amazing place you have with God's presence."

"I wanted to thank you all for your excellent support, organisation and leading of the Freemasonry day and for the excellent and sensitive worship-leading. I was very encouraged that the team member I saw at the end regarding my glaucoma condition, had seen his own father healed of it."

"I am learning to not look at what I am leaving behind but to where I am going. The Israelites left slavery and wanted to return out of fear and uncertainty, God says move on in trust and faith. Everyone has been full of love and compassion to me. It's not always easy, walking into a room alone and feeling a spare part but everyone is ace and I know I can sit anywhere and someone will join me and that is a great testament."

"I wanted to let you know that I'm continuing to make good progress-praise God! My husband and I were able to enjoy a lovely holiday - something I could never have coped with earlier in the year. I'm so thankful to be better. Thank you also to the young lady who spoke on Livestream recently...for such an inspiring, anointed talk on John 15 and the practical application at the end. I found it very helpful. Amazingly I'd just been reading part of that very chapter, then tuned in to hear you speaking about it - perfect timing! You brought the word alive for me."

HALLOWEEN , Paganism & The Bible

"holidays." But what does Halloween actually celebrate? Bodie Hodge addresses its origins and purpose, while showing its roots in paganism. He also reflects on how we as Christians should respond. Help others not to open the door to fear, nightmares, rebellion and oppression in the lives of children through this witchcraft. Also see our leaflets about the deceptions and dangers and share with others. 50p + 61p p&p

THE WOMAN FACTOR

by Rabbi Baruch Bierman

Rabbi Bierman used to be a persecutor of women in ministry, not allowing them to teach or preach. This book is his life message as an act of restitution to all the women that have been rejected and resisted because of erroneous doctrines in the body of Messiah. IT

WILL SET MEN & WOMEN FREE! He is married to Bishop Dominique Bierman, the first Jewish woman Bishop in the Church today. Both of them are Jewish Apostles preaching and teaching the Word of God all over the world with signs, wonders and miracles following! £22.00 + £1.35 p&p

"This is not just another book on 'Women in Ministry', it's a life message from a man who has changed his mind. In making the change he carefully lays out all the scripture from Genesis to Revelation from a Jewish and Hebraic perspective. This brings life-changing understanding to the problem texts, which can now be seen in their true Biblical context. This is a unique book worth the cover price because of the light it brings."

Pastor Marion

Meetings

FELLOWSHIP SUNDAYS

Every Sunday (except the first Sunday of each month) we hold a morning fellowship meeting. All welcome. 10am Prayer for Israel. 10.30am coffee. 11am - 1pm meeting. Bring your lunch with you and join us for some fellowship afterwards if you would like!

HEALING & DELIVERANCE MEETINGS

Held on the first Sunday of each month. Starting at 1pm. A quality time of Praise, Worship, God's Word, Prayer and much more. Join people from all over the country as they come together to worship and glean from Almighty God. We stop for a break late afternoon and then offer prayer ministry for those who attended the meeting. The day closes at 7pm. During the day we have a **CHILDREN'S MINISTRY**. Children are encouraged to meet up in the praise & worship before going off to the Oak Barn for a time with God, of good teaching, fun and activities for all ages 4-11. Also, during the prayer ministry time, the children will also be together for fun and games inside or outside, weather permitting! Email if you need to ask anything at all.

CARE & PRAYER DAYS

Would you like follow-up personal ministry with the team? Been to one of our meetings or conferences already? If so you can book an appointment with us on the Wednesdays, 10 days after each Healing & Deliverance meeting. We start with a time in the Word led by Nigel Wylie from 10.30-11.20 which is open to all, appointment or not! Please bring some lunchtime food as there are no shops/garages nearby. Next few dates - October 16th & November 13th & December 11th.

Feasts of the Lord

On Sunday, October 13th we will come together as a fellowship to celebrate the "Feast of Tabernacles". We invite people to join us on that occasion but we are now fully booked for the meal and have no more spaces. Please keep an eye out for the next Feast at Hannukah. Book early!

In Glory

Some of you will be able to remember our dear friends, Ray & Joyce Holloway from Bridport, who we first met at Kingford Hill, Devon. Joyce has been in touch to say that Ray has gone to be with the Lord. We have always stayed in touch and Joyce has for years lovingly provided the beautiful painted art work for our faith schools. Joyce wrote.... "We were so grateful for all we learnt long ago at Kingford Hill and the way our lives were suddenly changed." Please pray for Joyce and the family in the days ahead, that the Lord will uphold and comfort them. We send our love and best wishes.

Peter in Majorca

"It's going well. I am definitely settling in and have been picking up how the school operates, how things are done etc. It's been really busy and I'm enjoying it. I'm now living with a family in Palma and no one in the house speaks English! Church is good and services are translated!" Peter
