Testimonies

"I've not had an easy life. I grew up in a non-Christian family. After immigrating to England from China at the age of 11 I experienced devastating abuse over years - bullying and racism from students and from my parents, verbal, physical, emotional, and psychological abuse which drove me to extreme measures aged 16.

Becoming a Christian and going to Bible college didn't help the inner pain and despair that was deep in my heart. After the Lord led me to you for ministry about freemasonry I knew I struck gold in terms of getting help. I have met so many people who have shown me love that I rarely received before, even in churches. The spiritual atmosphere feels so safe. For a person who has had many dealings with the demonic being able to relax has been a breath of fresh air. I feel accepted, which having only known prolonged rejection has been healing in itself. I feel valued, seen and welcomed.

The ministry team have always been top notch and I've seen repeated breakthroughs. They love the Word, are anointed for the role, and are Spirit-led. They have broken some deep-rooted curses off my life. Also on their recommendation I've listened to Derek Princes' teaching – From Curse to Blessing (DVD and book available in the bookshop.) More curses were broken off. Glory to God for their ministry and work. It has been a beacon of hope in a long and tiring journey. I am sure Jesus has given me one of the tassels on his prayer shawl, which is Sozo." IZ London.

"I want to give testimony and glory to Yeshua. He has healed the breach in my spirit and I am gloriously free from the person who was in control over me! Even though she had gone from my home, she was still oppressing me through the breach in my spirit caused by her cruel words and treatment of me, which I have fully forgiven. Since prayer ministry I am free from the

effects of the lady's soulish prayers, and the witchcraft, fear, spirit of death, perpetual hatred and other stuff that she was operating in. All glory to God and praise to Yeshua's wonderful Name and the healing power of His blood!" Anon

"3 months on from the September Freedom from freemasonry ministry I want to thank the Lord Jesus for the improvement in my family relationships."

"I was blessed by your message, 'A Fresh Look at Wholeness 2020'. What caught my attention was that you mentioned Jesus' second coming many times revealing the urgency of the time we are living in. We must be prepared. My favourite part was when you said that fantasy is stopping us being whole. God doesn't want us in fantasy. We need to walk away from it because God wants us to face reality every day!" Anon

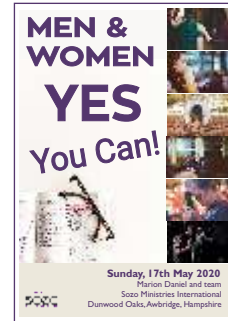

"There was a ministry section during the freedom from freemasonry day for people who had been bullied and had had problems at school. When I got home I noticed that I started saying things differently than I would have. I'm not putting myself down now and I'm taking more care over what I am saying - I also feel freer. My memory for people's names is also better."

ISRAEL IN CONTEXT

These 2 booklets are produced to enable a better contextual understanding of Israel in relation to the Bible, current affairs, history, prayer and the Church's Jewish roots.

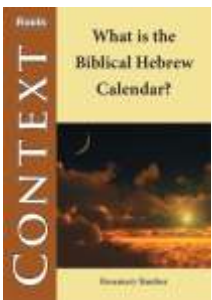

The Root and Fruit of
Replacement
Theology

By Derek White
£3.00 + 95p p&p

A development of the
booklet:
Replacement
Theology - It's

Origins, History and Theology – the majority of the material in this booklet is NEW. Further attention is given to the beginnings of this theology in the early Church. Sadly it is prevalent in many churches today and understanding and repentance is necessary.

What is the Biblical
Hebrew Calendar?

By Rosemary Bamber
£2.50 + 95p p&p

This booklet has
been written in
reponse to those who
say, "We don't need

the Biblical Hebrew Calendar now because we are not under the Law of Moses. Believers in Jesus are under grace, not under the Law". It presents some of the benefits that accrue from an understanding of the Hebrew Calendar – essentially helping people to be 'biblical' - and then concludes by explaining why it is useful for Gentile new covenant believers to give attention to it!

Kingford Hill Remembered

Joyce H aged 90 years from Bridport writes.... "I was looking through some old photo albums and found lots of Kingford Hill pictures (where Sozo started out) reminding me of all the happy holidays we had there. It was always sad when it was time to go home, back to ordinary life and we wished we could live there forever! It was a little piece of heaven on Earth. Ray & I, then both our children were baptized there. We all had such good teaching and our lives were changed forever. One day we shall meet with you all in God's Kingdom of Heaven for eternity. With my love to all who remember me... "
